

Journals

Current issues are displayed on the revolving journal stands and most back issues are shelved in A-Z title sequence within the All journals are for **reference only** .

Full Text Electronic Journals

Over 3000 full text electronic journals are available from our website A-Z. An ATHENS password is needed for some titles

Inter-Library Loans

If you require any journal article or book which is not held in the library, we can search other collections on your behalf at:

- Other regional health libraries
- The British Medical Association & The British Library (£6 charge)

Just complete an ILL form and pass it to the library staff. We will contact you as soon as your item arrives. If possible please allow at least 1 week for this service.

Literature Search Service

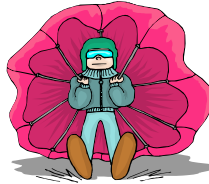

If you would like a member of the library team to undertake a literature search on your behalf, simply complete and return a literature search request form.

Photocopying

Self service photocopying is available in the library. An EMOS copy card, giving 60 credits at a cost of £3, is available from a dispenser within the library.

Alternatively, complete a photocopy request form and the library team will photocopy the articles for you within 48 hours and charge your department.

(The EMOS card can also be used for printing from PCs within the library.)
